Workshop and Presentation

April 22, 2008

7:00 p.m. to 9:00 p.m.

Sundre High School – Computer Lab

This is a FREE workshop presented by albertafirst.com. AlbertaFirst.com is a provincial, municipal and industry partnership dedicated to the promotion of business and community development across the Province of Alberta. AlbertaFirst.com provides a province-wide business directory currently containing over 140,000 business listings. The Directory has been compiled from many sources - publicly available lists, data collection projects of AlbertaFirst's municipal members, and business self-registration.

This workshop will show you how to register your business FREE of charge on AlbertaFirst.com.

Benefits of registering your business include:

- **Connect** with other businesses
- **Gather** competitive intelligence on your marketplace
- **Assist** in choosing a business location
- **Locate** import substitutes
- **Develop** alliances
- **Find** a supplier of products and services that you need!
- **Promote** your business worldwide 24/7!

Seating is Limited
