

Our Policy

We collect the information you volunteer to us. However, as with most sites, certain non-personal information is recorded by the standard operation of our servers ("Cookie" technology). Such information is used to provide an enhanced online experience, and may include:

- The name of the Internet Service Provider (ISP) from which you access the Internet.
- The date and time you accessed the site.
- The Internet address of the Web site from which you enter our site and where you go after you leave our site.

This information is also used to measure and monitor the use of our site and to improve its content. The "Cookie Technology" does not personally identify you or extract any information from your computer. Data which would personally identify you is known only when voluntarily submitted.

The voluntary information you provide us with is used to improve our customer service standards and/or provide the requested information. The information that is gathered through the web site is only used for Internal purposes. We do not share private information.
